Twenty-three tales of ordinary women who find themselves in situations that call for resistance, rebellion, stealth, or confrontation. The stories demonstrate a multitude of strategies that women employ to better their lives and those of

“For too long, women have been reduced to footnotes in our history texts, or worse, eliminated altogether...*Feisty Deeds* illuminates...women who refuse to accept the rules.” —From the foreword by Aimie K. Runyan, Bestselling author of *A Bakery in Paris*, *Lavender and Sage* and *The School for German Brides*

“Extraordinarily impressive...Twenty-three authors take readers on captivating...personal journeys of self-discovery, unexpected challenges, and tests of character. An outstanding collection that showcases ordinary women's struggles...the protagonists in these pages grapple with their inner demons while navigating a world full of uncertainty and possibility.”

—*The Prairies Book Review*

“Potent with modern and historical wisdom...perfectly curated...resulting in a captivating, thought-provoking, and undeniably inspiring collection.” —*Self Publishing Review*

“Purposeful, powerful and inspiring...” —Goodreads Review

“In turns touching, humorous, infuriating, and uplifting.” —NetGalley Review

The contributors to *Feisty Deeds* are members of the Women's Fiction Writers Association and the WFWA historical fiction affinity group. Revenues from sales will be donated to the WFWA Scholarship Fund, which provides resources to foster successful writing careers.
